

Post-Doc Fellowship

program announcement

Purpose

Rehabilitation Outcomes Research Center of Excellence - Gainesville, Florida

The Rehabilitation Outcomes Research Center is recruiting a Post-Doctoral Fellow in Health Services Research. The 2-year fellowship program is currently available for 2005-2006. The fellow will have an opportunity to work with experienced and dynamic research teams. At the completion of the Post-Doctoral Program, fellows will have knowledge and skills in rehabilitation outcomes and be prepared to compete for funding.

Funding Support

\$40,000 during the first year and \$43,000 for the second year, plus health and life insurance benefits.
Funding is available for a Post-Doctoral Fellow in 2005-2006.
Funding is for two years.

Eligible Students

- U.S. Citizen
- Doctoral degree in Health Services Research, Epidemiology, Health Care Economics, Rehabilitation Science, or related disciplines.
- Desire to develop a research career in Rehabilitation Outcomes.

Applications Due

June 2005

All interested candidates should submit Curriculum Vitae electronically and/or call for more information. Funding will begin for Fellows in Fall 2005.
